

**GREENER
PRACTICE**

In December 2021, The Green Cross Group Practice Declared A Climate Emergency

We're dedicated to reducing our emissions and waste, and have pledged to reach Net Zero by 2029 or sooner.

Things we're doing with Greener Practice:

- 1) Recycling schemes.**
- 2) Switching to greener Prescribing, Including greener inhalers.**
- 3) Switching to the search engine that plants trees: Ecosia.**
- 4) Promoting and using Fair Trade Products.**
- 5) Calculating our carbon footprint.**
- 6) Reducing paper and switching to electronic communications.**
- 7) Introducing a cycle to work scheme.**
